

**APPENDIX**

---

## Information about Lantmäteriet's processing of personal data

Prior to Lantmäteriet's entering into agreement on supply of geodata, you shall provide certain personal data (e.g. name, address, personal identity number). Corresponding data is collected regarding legal entities as well (name, address and corporate identity number). Delivery of geodata will not be executed until the customer has given the necessary data.

When collecting personal data Lantmäteriet has to provide certain information to the data subject. This information can be found at [Lantmäteriet's website about personal data](#) or by contacting our customer service.

Lantmäteriet, Gävle

Corporate Identity Number: 202100-4888
